# Is Expense Allowable?

## 3 Tests Must Be Met

\* See Foundation Disbursements Policy

# Business Purpose

- A detailed business purpose must be included for all disbursement requests, including:
  - Payments to vendors
  - Reimbursements to the University
  - Reimbursements to employees for travel or other expenses

Question to Answer	Description of Information Needed
Who	Who was present during the meal or entertainment event? Provide the detailed affiliation of each individual present (i.e., donor, prospective donor, prospective employee (candidate), guests of University and/or Foundation, current University employees or agents, etc.).
What	What is the purpose of the expense?
Where	Where did the expense take place?
When	When was the expense incurred?
How	How does the expense benefit the University? How does the expense fall in line with the project's purpose?

# Business Purpose (continued)

The detailed business purpose must include affiliation, purpose of the expense, where and when the expense took place and how the expense falls in line with the project's purpose.

## Business Purpose Examples:

<b>Poor</b>	<b>Good</b>
Business Lunch	Jane Doe, FIU Budget Manager, met with John Smith, VP of Bank Company, for a business lunch meeting on 06/01/2021 at Restaurant to discuss potential internships for students at Bank Company. This would provide students hands on experience and potential jobs upon graduating.
Travel for ABC Conference	Joseph Garcia, Nano Technology Professor at FIU, traveled to Denver, Colorado from June 1, 2021 through June 3, 2021 to attend the ABC Conference. The ABC Conference provided insight, knowledge and resources on new software that may improve research productivity and accuracy in nano technology.

# Affiliation of Individuals

The affiliation of all individuals **must** be included in the business purpose.

The detailed business purpose must include affiliation, purpose of the expense, where and when the expense took place and how the expense falls in line with the project's purpose.

## Affiliation examples:

<b>Poor</b>	<b>Good</b>
John Smith	John Smith, VP of Bank Company
Roary Panther	Roary Panther, FIU College Researcher (faculty)
Pamela Thomas, Controller	Pamela Thomas, Controller – Bank Company (donor)

### University Commonly Used GL Accounts

<b>659090</b>	Operating Revenues
<b>683990</b>	DSO Non-operating Donations
<b>687001</b>	Capital Gifts and Donations

- **GL Account 659090:** Operating revenues normally result from exchange transactions, usually as revenues received in exchange for a good or service that benefits the Foundation directly (examples – fundraising events, donor related expenses, employees directly working in the Foundation).
- **GL Account 683990:** Most typical; Non-operating revenues normally result from non-exchange transactions, defined as value received with no good or service provided to the FIU Foundation. For example, salary supplements and/or subsidies for university faculty and staff, student scholarships, Subsidies to cover university operating expenses, and noncapital gifts.
- **GL Account 687001:** The contributions and transfers for capital gifts and donations that will reimburse represent capitalizable construction projects that will be owned by FIU.
