Guidelines for Estimating FY 2020-21 Forecast

- ✓ Enter a 4-month revenue and expense forecast for EACH project
- ✓ Do not assume FY 2020-21 Original Budget = FY 2020-21 Forecast
- ✓ An allocation will run nightly that will automatically reduce all forecasted revenues by the 3% gift fee (exceptions built in).
- ✓ Expected pledge payments from signed pledged/ gift agreements in Raiser's Edge as of January 31, 2021 that are due between March 1, 2021 and June 30, 2021 will be pre-populated for you in the Actual ledger using budget account R14001.

Guidelines for Estimating Forecast – continued

- ✓ Work with your Deans and Development Officers in forecasting NEW gifts.
- ✓ Do not forget to **add projects** to your forecast that did not have any activity during the first 8 months of the fiscal year but for which you expect revenues and/or expenses between March 1st and June 30th.
- ✓ Forecasted expenses for periods 9 – 12 must be less than or equal to the February 29th ending spendable balance plus forecasted non-endowed revenues, net of the 3% gift fee where applicable, for periods 9 – 12 for each project.

Guidelines for Budgeting Revenues

- ✓ Revenues are to be budgeted on a CASH basis by project, by month.
- ✓ Budget non-endowed and endowed revenues SEPARATELY for each project. Use fund **900** for non-endowed revenues and fund **903** for endowed revenues.
- ✓ Use budgetary account **R14000** to budget revenues.
- ✓ An allocation will run nightly that will automatically reduce all budgeted revenues by the 3% gift fee (exceptions built in).
- ✓ Expected pledge payments from signed pledged/ gift agreements due between 7/1/2021 - 6/30/2022 will be pre-populated for you in the Requested ledger using budget account R14001.

Guidelines for Budgeting Revenues - continued

- ✓ Do NOT include Building Funds revenues in your projections. Instead, communicate anticipated revenues for NEW building funds to the Foundation Business Office.
- ✓ Distribution of investment earnings to endowment operations is NOT to be budgeted as revenue.
- ✓ Please do not use STRAIGHTLINE METHOD in budgeting revenues. Gift installments are usually received once annually (unless it's payroll deduction).
- ✓ Historical revenues are *not* necessarily an indication of future revenues.

Guidelines for Budgeting Expenses

- ✓ Expenses are to be budgeted by project, by month.
- ✓ Budget ALL expenses using fund 900.
- ✓ Use the following budgetary accounts to forecast and budget expenses

Reimbursements to FIU:

- E57000 Transfers Out - All Other Expenses
- E57001 Transfers Out - Equipment Expenses
- E57002 Transfers Out - Scholarship Expenses
- E57003 Transfers Out - Construction Expenses
- E57004 Transfers Out - Salary Expenses

All other expenses:

- Use the University Budgetary Accounts
